dorna, of Italy, and several of Ger-
many's best generals.

On the northern Russian front the
Russians are now offering strong op-
position to the Germans who are en-
deavoring to press their advantage
farther eastward from the Riga-Dvina
line. Thirty-two miles northeast of
Riga, a "death battalion" of women
has defeated the Germans and forced
them to retreat to the south.

A call to all citizens irrespective of
race or creed to join in a movement
to crush disloyalty within the United
States and to labor for the assimilation
of aliens on an exclusive American
standard was issued Tuesday tonight
by a committee of native and foreign
born Americans headed by Theo-
dore Roosevelt.

FOLLOWING THE FLAG.

Lieutenant Parker.

Eldridge Parker, who has been in
the regular army for the past two
years, has recently been promoted to
a lieutenancy. Lieut. Parker is a son
of Esq. O. S. Parker, of the Castle-
berry neighborhood, this county, and
has been in the Philippines for some
time.

Addison William Jones, one of the
Kentuckian's printers in the army, is
now with his company "somewhere in
France." In a brief letter to his
mother, Mrs. J. W. Jones, he an-
nounces his safe arrival after a trip
without incident. He is in the 5th
Delaware Company. He left here
after the declaration of war to join
the coast artillery in New York.

Dr. Walter A. Lackey has been ac-
cepted for the U. S. medical corps,
with the rank of Captain.

Will Keel, one the Kentuckian's
printers in the army, is one of
the men at home on a furlough this
week.

Breslin--McNamara.

Mr. J. Breslin and Mrs. Cath-
McNamara was united in mar-
riage yesterday morning at 5:03
o'clock. The ceremony was per-
formed at the Catholic church by Rev.
Father J. P. Welsh.

The bride is a daughter of Mr.
John Roach, of this city, and has
many friends.

Mr. Breslin, who is a native of Ire-
land, has been a resident of this city
for a number of years, where he has
been engaged in the confectionery
business, and is very popular with
everyone who knows him. Mr. and
Mrs. Hugh McShane were the only
attendants.

The couple have gone to house-
keeping on East Seventh street.

DR. M'CONNELL'S
GREAT SPEECH

Greatest Patriotic Demonstra-
tion Ever Held In the
Tabernacle.

THOUSANDS HEARD HIM

Plans On Foot to Bring Col.
Roosevelt Here For a
Speech.

Geo. W. Crenshaw, C. R. Clark,
T. J. McReynolds, E. L. Weathers
and A. H. Eckles, the five men who
brought Dr. Lincoln McConnell here
on their personal guaranty, for his
great patriotic lecture, deserve the
thanks of thousands of people who
heard him in the end without paying
a cent. As announced Tuesday the
guaranty was raised by the churches
and the doors thrown open. Many
who came in Monday night to buy
tickets at 50 cents learned that Hop-
kinsville had done one of those big
things for which the city is noted and
paid Dr. McConnell without selling
tickets. His great lecture was pre-
sented by Hopkinsville people to the
public at large and more than 3,000
persons packed the Tabernacle and
listened for more than two hours to the
arraignment of the German Kaiser
and the barbaric warfare he is wag-
ing.

Every phase of the great war game
was touched upon and proof furnished
of outrage upon outrage. His ad-
dress closed with an appeal to patriots
to forget party and stand as one man
behind the President. Dr. McCon-
nell has two sons in the aviation corps
and he said that he would rather see
them die for their country than be
cowardly slackers at home. He said
our soldier boys would go to battle
better equipped and cared for than
any army ever was before, that not
only their governor was behind them
but a loving and solicitous people
as well as their own circles of re-
latives and friends.

The address was not an oratorical
masterpiece, but an earnest, forceful
presentation of facts, figures and con-
ditions, that made the blood of every
patriot boil with indignation. Round
after round of applause showed him
that the people were with him. His
speech was punctuated by humor and
anecdotes and from first to last held
the attention of the vast crowd.

The same business men who
brought Dr. McConnell here are cor-
responding with Col. Roosevelt for a
similar visit.

324 REGISTRANTS
FAIL TO REPORT

3,075 Held For Service; 5-
559 Discharged, Board
Reports.

To date 324 men have failed to re-
port to the local boards in the 24 coun-
ties within the jurisdiction of the Dis-
trict Appeal Board of Division No. 1,
for the Western District of Kentucky,
according to a report made. As rap-
idly as possible, names of those who
evidently wilfully failed to appear are
being turned over to the Department
of Justice Agents for investigation.
However, many of the 324 were either
dead, in prison, or already in the
military service.

Reports also show that the local
boards in those counties have held
3,075 men for service and discharged
5,559. The District Board has already
certified 2,058 men to the Adjutant
General for service, including those
who did not make appeals. Twenty-
nine have been discharged by the
District Board so far.

honor of his grandfather, Geo. D.

WHEN THEIR BOY LEAVES

When sons and brothers leave for
the front it is but to be expected that
mothers and sisters will feel downcast
and sorrowful. A lump will rise in
the throat of even the strongest, and
tears well up into eyes that blink hard
to keep them back. This mother who
has just seen her son pass by on the
road that will take him to France, is
struggling steadfastly but unsuccessfully
to keep the sobs that are forcing
their way to expression. Her daugh-
ter beside her is made of sterner
stuff. She is sad, the expression on
her face shows that, but is keeping
back the sobs and the tears.

NOMINEE FOR
SHERIFF SLAIN

M. S. Baughman, Democrat,
Shot and Killed in Stanford
By Ed Hubbard.

Stanford, Ky., Sept. 12.—Ed Hub-
bard, Republican nominee for Sheriff
of Lincoln county, shot to death M. S.
Baughman, Democratic nominee for
the same office, at 10 o'clock Monday
morning. The killing occurred just
in front of the First National Bank in
the midst of a large court day crowd.

Baughman was shot three times in
the head and death was almost instan-
taneous. Ill feeling had existed be-
tween the two men for some time and
it reached white heat this morning
when Hubbard distributed among the
court day crowd a printed circular,
headed: "Was He Right?" in which
Hubbard set forth Baughman's ex-
pense account, as filed for the prima-
ry.

Hubbard was distributing these bills
in the First National Bank this morn-
ing when Baughman came in and asked
him if he (Hubbard) meant to intim-
idate that he had lied. Hubbard re-
plied by saying that he did mean to
intimidate anything, but that the re-
cords would show for themselves.

S. H. Baughman, a brother of the
dead man, was with him at the time
and they walked out on the street to-
gether. Hubbard was waiting out-
side and began firing.

VILLA READY
TO SURRENDER

Says That He Is Tired of
Further Useless Fight-
ing.

Mexico City, Sept. 12.—After years
of warfare and outlawry, Pancho Villa
is ready to surrender, but the Govern-
ment refuses to treat with him. Villa
has sent commissioners to General
Murguia, it was learned, proposing to
surrender his arms and forces to the
Government, saying that he is tired of
useless fighting. Gen. Murguia com-
municated with General Carranza
seeking instructions. Carranza re-
fuses under any circumstances to
treat with Villa, adding that Villa is
no better than an outlaw.

GETTING IN LINE
FOR THE CALL

Nearly 40 Men Will Depart
Next Week For Camp at
Louisville.

EXEMP. CLAIMS PASSED ON

Will Place Those Disallowed
In Their Places of
Priority.

The first quota of 6 men, and the
second quota of 34, are expected to
receive orders by Saturday to depart
for Camp Z. Taylor, Louisville, on or
about next Tuesday. The probable
personnel of this detachment is being
altered from day to day as the district
board at Madisonville disallows ex-
emption claims of those near the top
of the list of eligibles. When these
claims are disposed of, the new men
will be called in regular order from a
complete certified list of those select-
ed. The entire 87 will be called out
within less than 30 days, so that the
question of who goes first is not a
vital one. In fact those called first
are expected to possess advantages
when non-commissioned officers are
chosen. The selections will be made
in regular order with the possible ex-
ception that the colored men, who
constitute about one-third of the quota
in this county, may all be called to-
gether in the last call early in Octo-
ber, as arrangements for their ac-
commodations are not complete at the
training camp in Louisville, where
they will be segregated and trained
separately.

To the first 6 names announced have
been added 3 more making the list so
far as definitely known stand:

Ernest Cravens, Hopkinsville.
Claude Grau, "
Hiley Cobb, "
Trice Waller, "
T. T. Cunningham, "
R. E. McGraw, Hopkinsville, R. 1.
Owen D. Massie, Trenton, R. 1.
Adrian Cowherd, Herndon, R. 1.
Lawrence A. Draper, Pembroke,
R. 2.

The final list will contain 87 men.
Of these 40, all white, will go Sept.
18; 40 more go Oct. 1, and the rest
Oct. 15. About 60 are white and 27
colored.

The complete list will be made up
in a day or two and there is a general
desire that something more be done
for these troops, white and colored,
than to hand them a sandwich at the
train as they depart.

The 60 white troops should be as-
sembled in a body and shown some
social attention and each of them
should be presented with the same
articles that were given the members
of Co. D.

The colored people should do the
same for their representatives and the
public generally would unite in hon-
oring them as soldiers.

CRAZY NEGRO

Enters a Store and Attacks
a Little Girl.

Sam Bumpus, colored, was lodged
in jail Tuesday on a charge of lunacy,
after an attack on a young daughter
of Mr. W. H. Hill, a grocer. Bump-
us, in a wild and raving condition,
entered Mr. Hill's store on East Ninth
street with an axe and a large file.
He seized the girl, 14 years old, by the
wrist, and raised the file as if to
strike. Mr. Hill grappled with him
and, assisted by some colored men,
disarmed him. Geo. Cate came to the
rescue with a pistol and held him
until an officer arrived. The negro
is clearly insane.

Leaped to Death.

Injuries resulting from a leap from
a third-story window of the Commer-
cial Hotel Sunday afternoon resulted
in the death of R. P. Hawkins, of
Frankfort, Ky., who had gone to Lou-
isville to work at the State Fair.

"PRIVATE HARRY"

Private Harry Windsor of the Eton
Boys Officers' Training corps (indi-
cated by X) is here seen looking out
of his tent. At the camp he is known
as Harry, but around Buckingham
palace and other resorts of royalty he
is addressed as "Your Majesty," for he
is Prince Henry, third son of King
George of England. Private Harry is
suffering all the rigors of camp life
and is amenable to military discipline.
His officers show him no favoritism.

Dropped To 42.

From summer heat down to 42 de-
grees Tuesday morning, was quite a
change in the weather.

SUITS AGAINST
RAILROAD CO.

One Plaintiff Alleges Person-
al Injuries Sustained, Other
Damage of His Machine.

S. R. Martin on yesterday filed suit
against the L. & N. Railroad Company
for \$500 damage, alleging personal in-
juries sustained when an automobile
in which he was a passenger was hit
by one of the company's trains at a
crossing just north of Kelly station.
Plaintiff states that he was thrown 40
feet, and charges negligence in the
management of the train by the crew.

Thomas Farmer, owner of the au-
to, sues the company for \$200, alleging
damages to his machine in that sum.

County Attorney, J. Elliott Baker,
of Caldwell, and Miss J. D. Blalock,
were married Tuesday.

FIRST CLASH IN
RUSS CIVIL WAR

Rebel Leader Has Bombarded
Government Positions,
Petrograd Hears.

KERENSKY IS CONFIDENT

Prompt Settlement of Rivalry
Is Hope---Protracted In-
ternal War Dreaded.

General Korniloff's march toward
Petrograd continues. According to a
statement circulated at the winter
palace early Wednesday morning and
which has not been officially con-
firmed or denied, the first collision
between the troops and the govern-
ment forces already had taken place,
the followers of Korniloff having
begun the hostilities by bombarding
government positions with heavy
guns.

The internal situation in Russia
still remains grave and chaotic and
just how it will be solved it is impos-
sible to forecast. Apparently, how-
ever, the chasm of discord has so
widened that either M. Kerensky,
head of the provisional government,
or General Korniloff, the deposed
commander-in-chief of the army, who
is opposing Kerensky and who de-
mands almost dictatorial powers, will
be engulfed.

At the present moment neither side
seems willing to make concessions.
Kerensky, at the head of the govern-
ment in Petrograd, is bending all
energy toward the suppression of the
turmoil created by Korniloff and his
followers, while Korniloff is reported
to be approaching Petrograd with
troops in order to lay siege to the
capital.

To prevent such action Kerensky's
adherents are tearing up the railroad
lines and otherwise preparing to re-
sist.

While advices received in London
are to the effect that the Baltic fleet is
faithful to the Kerensky regime, other
advices say that Commander Denikine
of the southwestern Russian army,
sent word to the premier that he
would give his support to Korniloff.
Official reports, however, are to the
effect that Denikine and several other
generals have been arrested.

Korniloff has declared that his re-
volt against Kerensky is animated by
the highest patriotism and a desire to
save Russia from a government dom-
inated by the German general staff.

SUES ON
TWO POLICIES

Mrs. Hattie C. Wood, Widow
Thos. O. Wood, Files
Action.

Mrs. Hattie C. Wood has sued the
Columbian National Life Insurance
Company for \$2,000, the amount of a
policy held by her husband, the late
Thomas O. Wood. She also files a
similar suit against the Mutual Benefit
Life Insurance Company for \$1,000,
the amount of a policy held in that
company. Mrs. Elizabeth A. Wood,
mother of the deceased, is also made
defendant, with the companies, in the
suits. Plaintiff states in her petitions
that when the policies were issued
Mr. Wood's mother was made the
beneficiary, but after her marriage to
him, they were transferred, she be-
coming the beneficiary, and that the
insurance companies have failed to
pay. Mrs. Wood further states that
the mother of the deceased is making
some claims to the proceeds of the
insurance, but has no right thereto.

Shipping Date Changed.

We are requested to announce that
the Hopkinsville Egg Circle have
changed their day of making weekly
